

Anchorholds, VR Technology, and the English Student on an Engineering Campus

Kelsey Dufresne
North Carolina State University

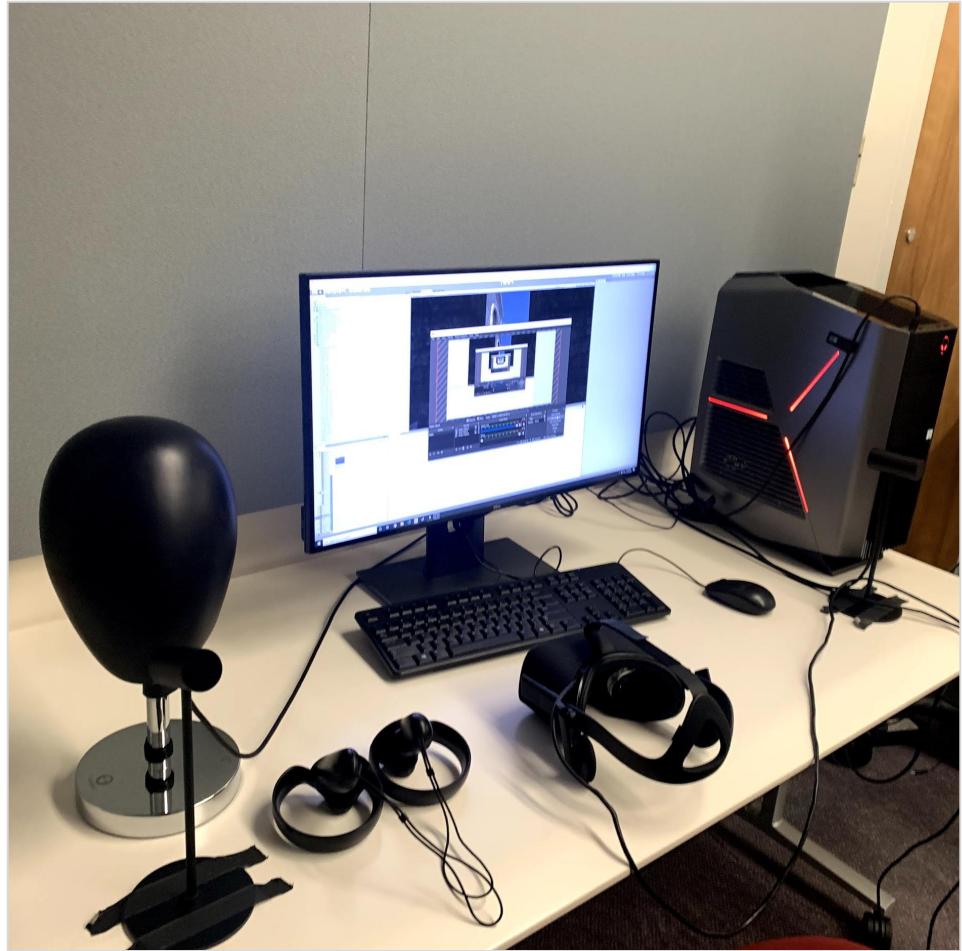

"Enclosure of an anchorite, from the Clifford Pontifical (Corpus Christi College, Cambridge MS 79, fol. 72r)"
from [Good Things Coming: On Julian of Norwich and Living Through Pandemic](#) by Hannah Lucas

12 sq ft
maybe 2-3 windows
isolation + confinement

Anchorthold

Concerns of Access

Julian of Norwich:

- Anchorhold
- Authorship + Positionality
- Literature

Technological:

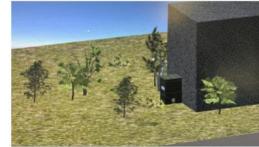

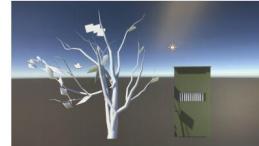

- Coding
- VR/AR → Python
- Immersive Mediation
- Computer + Game Design

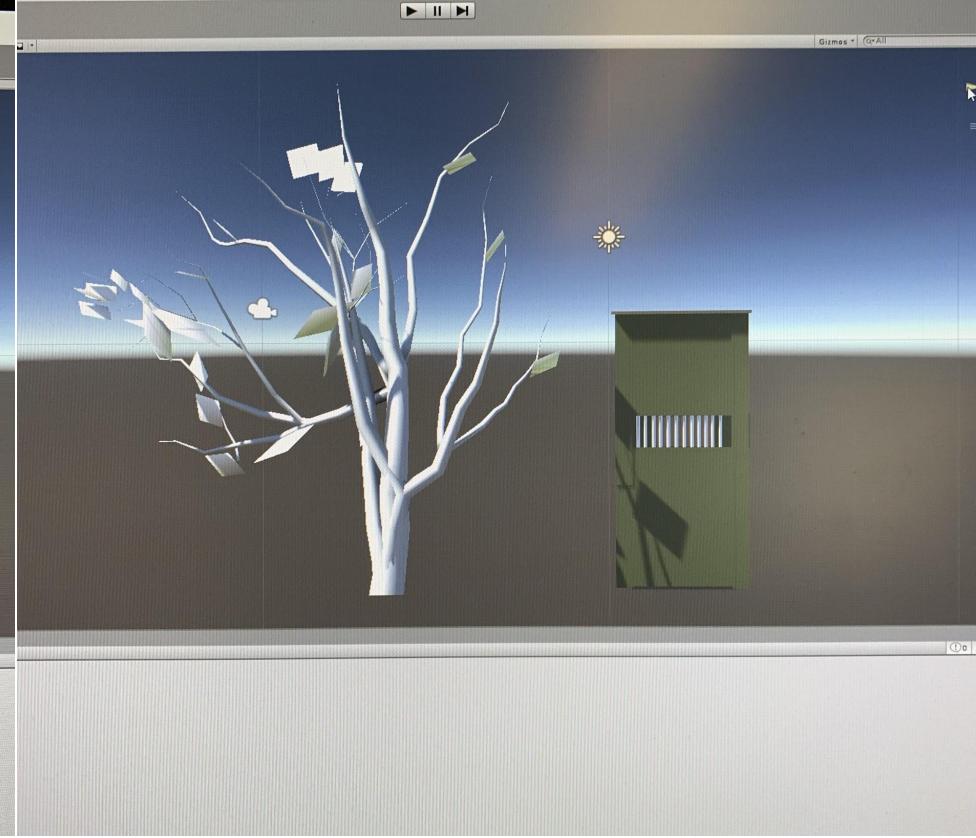

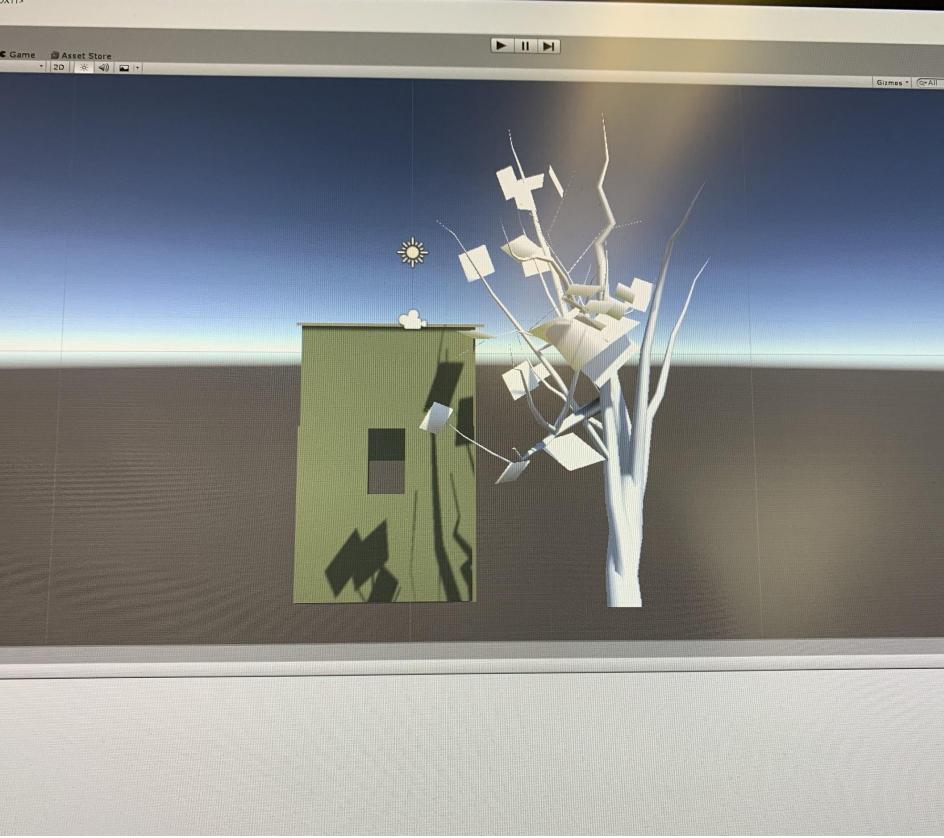

Process + Product

VR Studio + YouTube

Oculus SDK and Unity

One Academic Semester → Feb to April

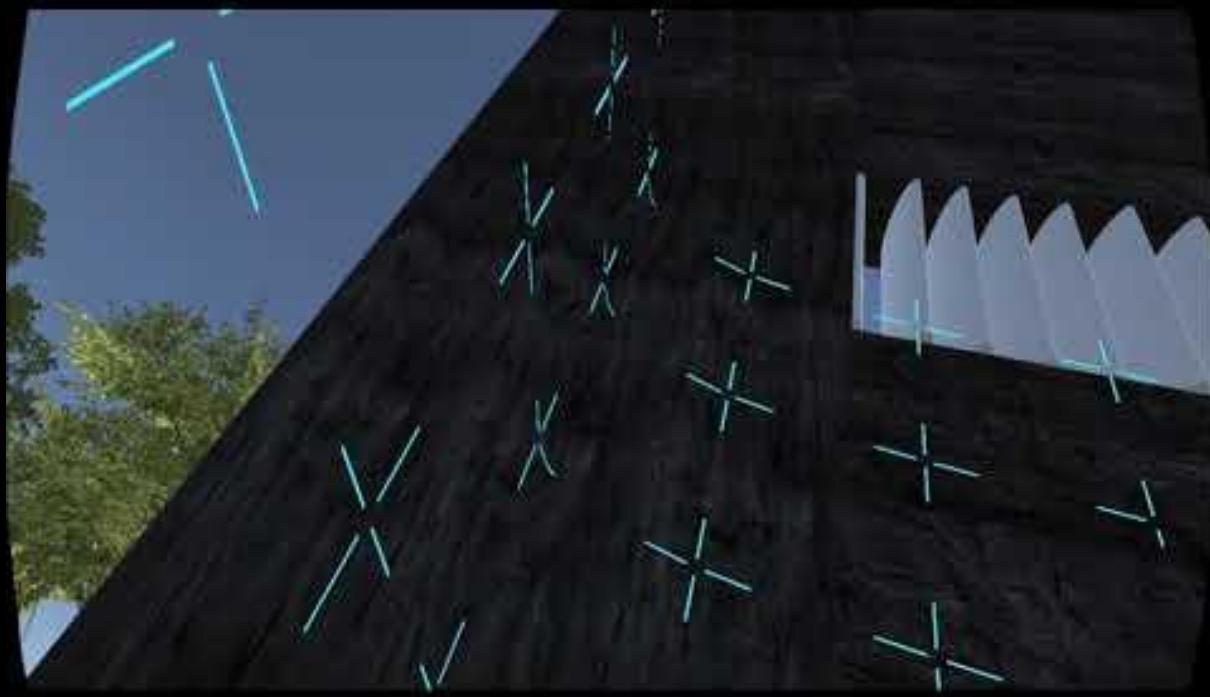

Stage 1

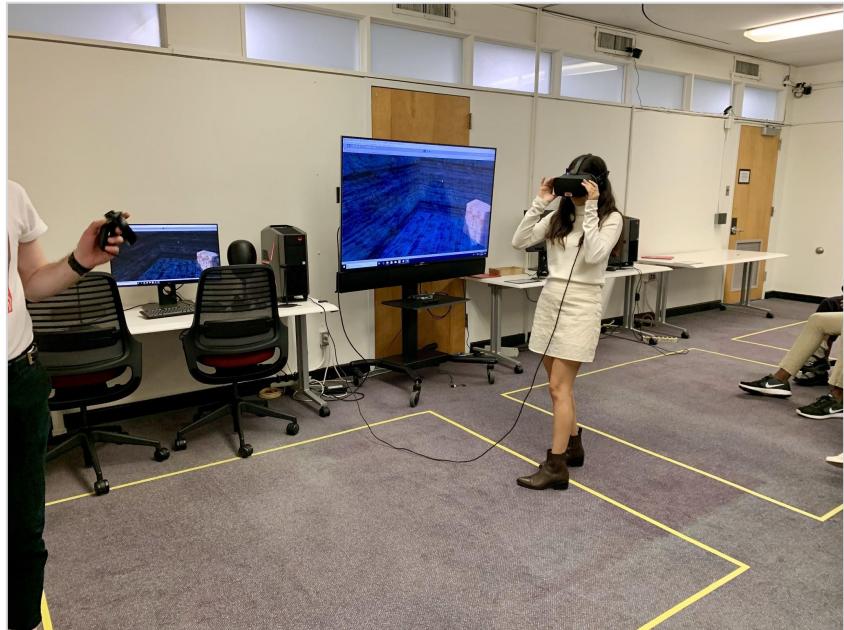

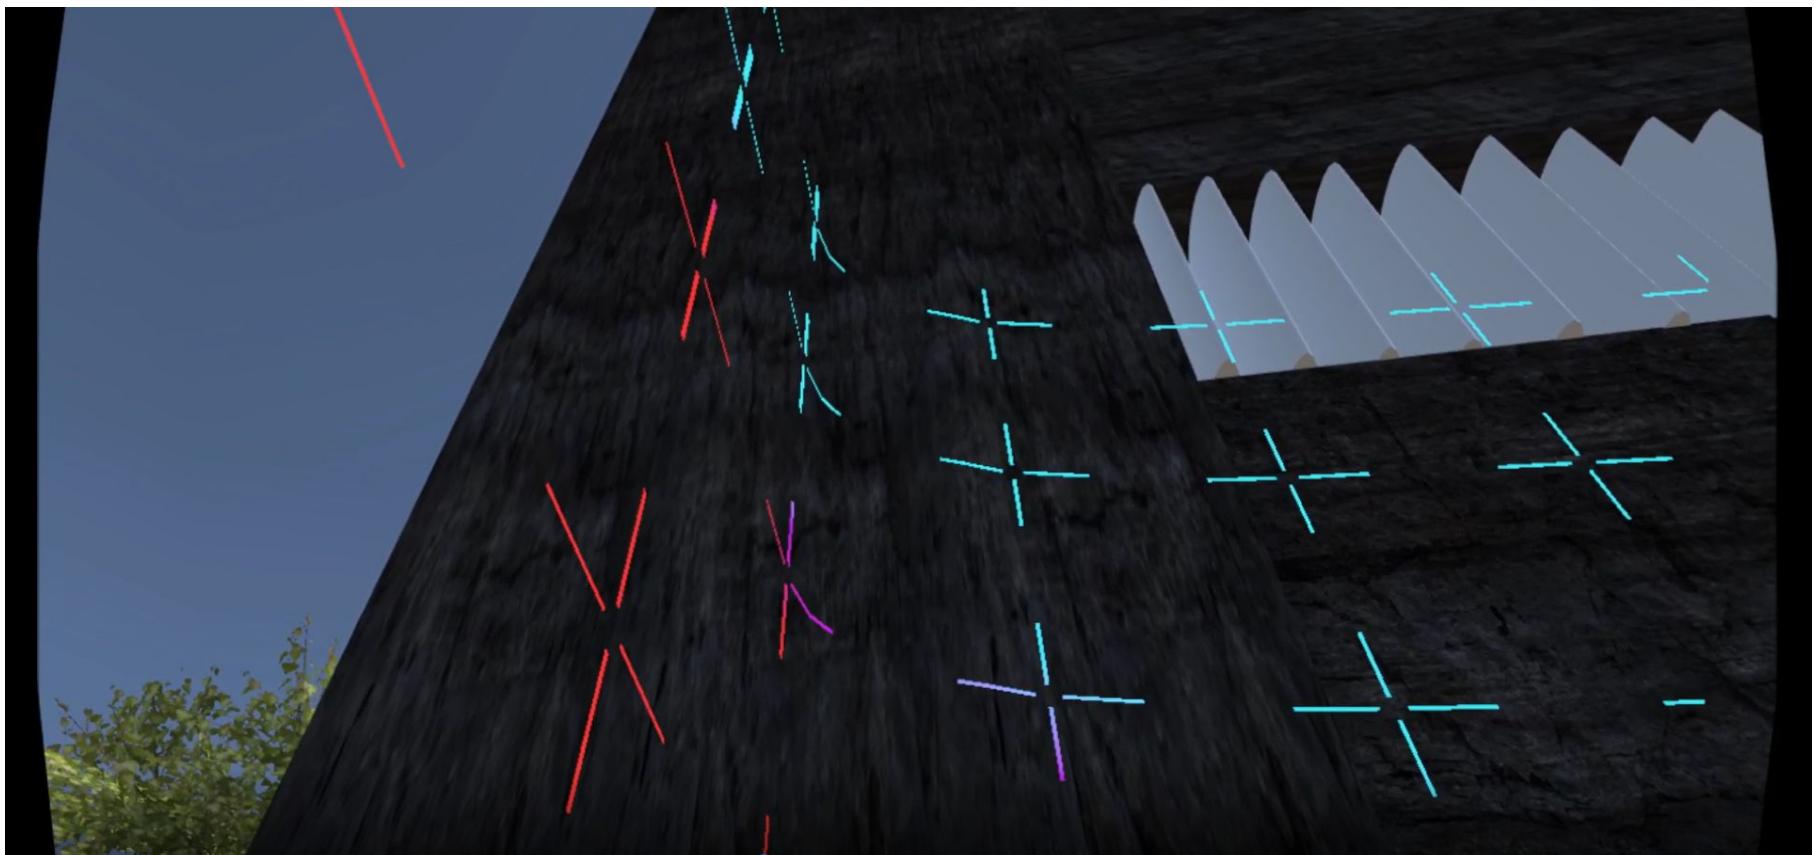

Stage 5

The need for encouraging
critical making and DH
within the classroom
